Dear Mr. Riffle:

Enclosed is the Sweetlands' application for investment in the Amerindo Technology Growth Fund II. As instructed, the second original application is being forwarded to the address in Panama.

I have made arrangements with the bank to wire funds in the amount of \$1,000,000 to Citibank in New York. The funds will be transferred first thing tomorrow.

If you require anything further, please do not hesitate to call me.

Sincerely,

Darlene G. Simplis

Dear John:

Under separate cover you will receive a formal acknowledgement and receipt of your subscription to the Amerindo Technology Growth Fund from the registrar.

Your subscription of \$1,000,000 was received by Bear Stearns in New York, the Fund custodian, on 24th January. This represents a purchase of 188,882 shares at a price of \$5.2943 per share on the 31st, the next admission day.

The net asset value (n.a.v.) of the Fund is calculated twice monthly. We can arrange to have you call a designated person at Bear Stearns to obtain the n.a.v. Alternatively, we would be delighted to fax the n.a.v. directly to you, if you wish. This is a service we provide to most of our Fundholders.

The Fund issues quarterly reports five weeks after the end of each calendar quarter.

We appreciate the confidence you have placed in us and we will do our utmost to justify it.

Sincerely yours,

Albert W. Vilar

Dear John:

This is to acknowledge receipt of your subscription of \$500,000 on 2 July 1990 to the Amerindo Technology Growth Fund, Inc.

Although the net asset value of the Fund is computed twice a month (for the 15th and 31st), we realize that there is a lengthy wait until the 15th. We have, therefore, decided to make an exception for a current shareholder by arranging for interest to be paid until the admission date. We will then convert this amount into additional shares.

We will fax over the exact number of shares allocated to you as soon as we have the valuation for the 15th.

We very much appreciate your continued confidence in us.

Sincerely yours,

Albert W. Vilar

Dear John:

Your additional contribution of U.S.\$500,000 was received by Bear Stearns, New York value dated Monday 2 July for admission to Amerindo Technology Growth Fund on Monday 16 July. We have therefore calculated the interest due for fourteen days as follows:

$$.10\% \times 14/360 \times \$500,000 = \$1,944.$$

Added to the \$500,000 and using the Fund net asset value of U.S.\$7.0351 on the 16 July, this would be:

$$\$501,944 / \$7.0351 = 71,348.52 \text{ shares}$$

We have instructed the Fund Registrar to issue 71,348.52 additional shares in your name.

Sincerely yours

Gary Tanaka
